

## STRANGFORD LOUGH REGATTA CONFERENCE

### 2008 HANDICAP COMMITTEE OPERATION

#### Instructions

1. The Handicap Committee (HC) is made up from Representatives from the main Yacht Clubs where handicap racing takes place.
2. The HC shall meet once each year (Normally during the winter) to consider alterations to handicaps for the following year. They shall consider only boats on the Strangford Lough list of recorded boats. The revised handicaps shall apply to all of the following year.
3. The HC reserve the right to meet at other times during the year, only to consider grossly inaccurate handicaps or to reconsider Trial handicaps.
4. HC set handicaps shall apply in Regattas and other 'open' type events within the Lough.
5. HC handicaps need not apply to Club Racing. Clubs are therefore free to alter handicaps of Club boats racing at their club as required. Due regard to a Club handicap shall be given at the HC annual meeting.
6. New boats in a club shall be given a handicap by the Club's Sailing Secretary. Details of the boat and its handicap shall be entered on the web by the Sailing Secretary passing the details to the webmaster.
7. Club Sailing Secretaries should record boats that leave their Club and inform the Webmaster so that the boat may be removed from the database.
8. Club Sailing secretaries should keep updated the list of club dinghies (with owner names, boat names, class) and forward details to the webmaster.
9. Guest boats at a Regatta or Event shall be given a handicap by that Club's Sailing Secretary. Details must be passed to the Race Officer before the start of the Event.
10. It is the sole responsibility of a boats' owner to ensure that details are passed to the Club's Sailing Secretary for recording on the web.
11. It is the responsibility of IRC handicap boat owners to ensure that IRC handicaps (and updates) are passed through their Club's Sailing Secretary to the Webmaster for updating on the web.
12. Only a Club's Sailing Secretary shall give details to the webmaster. Only the Webmaster or his appointee shall update the web.
13. At the end of each sailing season Club Sailing Secretaries should pass all relevant sailing results, both from Regattas, open events and club racing to the Clubs representative on the HC.
